MEMBER HIGHLIGHT

Catawba Community Mental Health Center

The Catawba Community Mental Health Center (CCMHC) is one of 17 community mental health centers operated by the South Carolina Department of Mental Health. CCMHC provides mental health services to people of all ages in York,

Chester, and Lancaster counties. Services include counseling, psychiatric assessment, medication management, crisis intervention, and other services to those experiencing serious mental illness and significant emotional disorders.

CCMHC is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). For more information please visit:
