#powerofrural

It's a fact!

1 in 5 Americans live and work in rural areas.

There are 50 State Offices of Rural Health and thousands of rural healthcare providers and community leaders working together to foster partnerships that improve the health status of people who live in the communities they serve!

Henry McMaster, the Governor of SC, declared November 16, 2017 as "Rural Health Day"

National Rural Health Day is an opportunity to "Celebrate the Power of Rural" and to recognize the hard work of all health care providers in rural SC

In South Carolina, 36 of the state's 46 counties fall outside of a metropolitan area.
